

Rotary
Club of Swindon

2pm on 5th November
until 2pm on 21st November

Over 80 fabulous lots have been donated so far, including flights, meals and a Longines Ladies Diamond Watch (courtesy of Deacon & Sons). Many would make an ideal Christmas gift.

Funds raised will be shared between Brighter Futures, Swindon Domestic Abuse Support Service, The Open Door Centre (Swindon & District), KidsOut, Action Through Enterprise (ATE Ghana), Edu Fun SA and End Polio Now. 10% of all monies raised will be going towards Rotary funds.

Traditional fundraising activities have been badly affected by the Covid-19 pandemic and so the Rotary Club of Swindon is making a bid to raise money for all the charities it's supporting in 2020 by one big 'virtual event'. The Club will be using the JumbleBee online auction to showcase a vast array of exciting lots.

If you'd like to support these charities by donating auction items please call Sue Frawley on 07881 246110 or email frawleys@aol.com by 31st October
